# BEER

## Featured Drafts

This hard cider from **Angry Orchard** does not disappoint cider fans. Crisp Apple pours very clean with a crystal clear, dark yellow body. It is effervescent with a powerful smell of apples jumping out of the glass. Sweet, but with a nice edge of tartness and a semi-dry finish. And like most ciders, it is gluten-free. ABV: 5.0%

Oberon is **THE** signature summer brew from **Bell's Brewery**, one of the first mainstream craft breweries in the midwest. This summer delight is as easy on the nose as it is on the eyes with a soft breadly aroma and some spicy cloves thrown in for good measure. The flavor has some mild yeast funk, citrusy hops, and candy-like wheat malt. A crisp, lively carbonation keeps the body light and refreshing. Oberon is one of the best examples of an American style pale wheat ale. ABV: 5.8%

When the shandies show up on the menu, it must be summertime. Shandies are beers that are mixed with juice, soda or other light beverages like ginger ale. **Leinekugel's Summer Shandy** is a combination of wheat beer and lemonade, but the taste comes across with more sweetness than lemon flavor. Brewed with and ABV of 4.2%, this sunny beverage is paired well with our outdoor patio and our delicious Friday special fish sandwich.
